Ray Johnson: New York Correspondence School (Whitney Museum, 545 Madison Ave.): Dear Ray Johnson, I think your show (the letters, the postcards, the envelopes, the scraps of paper, the messages, the pictures and drawings, and, above all, the **envelopes**) are startling, informative, dazzling, telling, hilarious, daring, delicate, involving, endearing, fresh, stimulating, imaginative, delicious, diverting, delightful, mysterious, ambiguous, dizzying, alive, transitory, ephemeral, effervescent, playful, spontaneous, airy, joyful, crazy.
